Date: July 19, 2021

Dear Students

Welcome to online summer school on **Usefulness of Remote Sensing & GIS for Environmental Studies** being conducted by Indian Institute of Remote Sensing, Dehradun. In this document, you will get the procedure to participate in this course.

We hope by this time you must have received your login credentials for IIRS learning management system (LMS) platform.

Procedure to participate in the course:

- Every day, the lecture will be streamed live at IIRS YouTube channel:
<https://www.youtube.com/user/edusat2004>
- There will be two live sessions every day during July 26 - 30, 2021. The first session will be conducted from 1000 hrs to 1100 hrs and second session will be from 1200 hrs to 1300 hrs. Each session will have 45 minutes lecture, 5 minutes break and then 10 minutes Q/A session. You can ask your question through YouTube Chat Box. Few best questions will be selected and answered by Faculty.
- The lectures will also be uploaded on IIRS LMS portal (<https://eclass-intl-lms.iirs.gov.in>) by 1500 hrs daily during the course, where you can again see the recorded lectures. For this you need to login on LMS portal with the credential sent on email while registering for the course.

Award of Certificate:

- Quiz based on the lectures delivered everyday will also be uploaded on LMS portal. There shall be 10 quizzes for 10 lectures to be delivered during five days course. You need to attempt these quizzes. A certificate will be awarded only if the total score of the quiz is at least 55%.
- The e-learning content on Remote Sensing and GIS shall also be available, which is compulsory to watch. This is in addition to recorded lectures.
- After the completion of the course, you need to submit the feedback on LMS portal and then download your certificate latest by **August 31, 2021**.

Wish you all the best for your course.

Note: All the material shall be available until **August 31, 2021** after which there will be no access to the IIRS LMS portal.
